Health- Ann announced that the Health commission raised \$1,374 from the two fish fries and raffle displays.

Youth-Pancake breakfast rescheduled to May 6.

Christian Service- Sue stated that Habitat for Humanity is changing their structure due to OSHA laws; they cannot build individual houses, but must build a community. They are looking for large sum donation so they can create big neighborhood projects. This is beyond our tithing donations, so we may loose then as a service organization. They are now asking individuals for \$250 donations just for the ability to serve on the builds, as well as corporate donations. This will be presented to the tithing committee.

Social- Mike stated Anita Anton recorded the Anne Get Your Gun play as well as all the others. She suggested that it she replay it for those who missed the play with the price of admission a couple can goods for donation to

St. Vincent de Paul. She asked Mike to bring this idea to the Council and the date would be determined later.

Liturgy- Thanks to everyone who worked on the Easter mass events. A great job, everything went well—9:30 mass was packed.

Ad/Fin- Getting close to all our budgets and should make our deadlines. Budget items will be on agenda for next meeting.

Evangelization- Suggested a different commission put up their boards from the stewardship cruise each month possibly in the vestibule to remind people of their presence and activities, etc. First meeting with the ambassadors went very well.

Athletic- Scrambled to get concession stand picnic tables out of the field before we had our 12 inch snow.

Vice Chair- Budget and Pax Christi tithing will be on next meeting's agenda. New members should get with their commissions and work into it. A time to set up for new photos rather than those which were used for the voting guide bios for incoming members will have to be coordinated at a future date before installation.
